

FROM PRINCIPAL'S DESK

"Freedom is not just about independence, it's about self-discovery and self-realization."

- Dr. APJ Abdul Kalam

Dear Parents, Students, Faculty, and Staff,
Wishing you all a Happy Independence Day!

On this auspicious occasion of our nation's Independence Day, we celebrate the freedom we cherish and remember the valiant struggle that led to it. It is a day to reflect on the sacrifices made by our freedom fighters and to honor their memory. As students, you are the future of our nation. Embrace your education with dedication and strive to be responsible, compassionate, and active members of society. Let your actions reflect the spirit of freedom and contribute to the progress of our beloved country.

At HAPS we are dedicated to a student-centered program that promotes academic excellence through an enriched, rigorous interdisciplinary curriculum. Let us promise each other in setting and reaching attainable goals, working harder and smarter and taking our school and student achievement to the next level of "GREATNESS"

I congratulate everyone on this 79th Independence Day. Freedom does not come easily. We are all indebted to our national heroes who made this country what it is today. As patriotic citizens, let's put extra effort into performing our civic responsibilities. Our diversity should not be seen as a weakness but as our greatest strength. It is only by working together that we can build a resilient and thriving nation. May this Independence Day inspire us all to work together towards a brighter tomorrow for India.

Happy Independence Day!

School Library

A school library plays a crucial role in fostering a positive learning environment and promoting academic excellence. It serves as a hub for intellectual exploration, providing students with access to a diverse range of resources that go beyond textbooks. Library also helps to Accessing Resources as Libraries provide students with access to a wide range of books, digital resources, and other materials for learning and research. Developing Research Skills: Students learn to find, evaluate, and use information effectively through library resources and guidance. Fostering Independent Learning: Libraries promote independent learning and self-directed study habits among students.

GLIMPSES OF THE KIDS' ACTIVITIES

At our school, we believe every child is special, and birthdays are a wonderful way to make them feel cherished. Each month, we celebrate our students' birthdays with joyful songs, colorful decorations, party hats, and delicious cakes. The birthday child wears a crown and sash, enjoying the spotlight with their classmates. These celebrations not only create happy memories but also strengthen the bond among students, making school a place filled with love and joy.

Father's Day is a special occasion to honour and appreciate the love, care, and support that fathers give to their children. It is a day to say thank you for their guidance, hard work, and sacrifices. At school, we celebrate this day to help children express their love and gratitude through handmade cards and joyful activities. It reminds us of the important role fathers play in shaping our lives and filling them with strength and happiness.

We conducted the Balloon Burst activity to promote fun learning through play. This engaging activity helps children develop gross motor skills, hand-eye coordination, and concentration. It also encourages teamwork, quick thinking, and builds confidence as they participate in a joyful and energetic environment.

Kids Fashion Show: A Day of Style and Smiles!
Our little stars lit up the stage with confidence, charm, and colorful outfits at the Kids Fashion Show! Dressed in traditional and trendy attire, the children walked the ramp with joy and grace, spreading smiles all around. The event celebrated creativity, self-expression, and the vibrant spirit of childhood. It was truly a delightful showcase of fashion, fun, and fabulous confidence!

Harela is celebrated mainly in the Indian state of Uttarakhand and parts of Himachal Pradesh. Harela, meaning "Day of Green," is celebrated to welcome the rainy season and mark the beginning of the sowing period for crops. It is a festival of nature, farming, and greenery. People plant saplings to show respect for the environment and pray for a good harvest, prosperity, and well-being.

Red Colour Day Celebration
Red Colour Day was celebrated with great enthusiasm by our young learners. The colour red symbolizes love, energy, and excitement. The day aimed to introduce children to the world of colours and help them recognize and relate to the colour red in their surroundings. Dressed in vibrant red outfits, children participated in fun activities, enjoyed red fruits, and showcased red toys. The event was a joyful experience that helped boost their observation and learning skills.

Basant Panchami is dedicated to Goddess Saraswati, the goddess of learning, music, and art. It marks the arrival of spring, symbolizing new beginnings and positivity. Students pray to Saraswati Mata for wisdom, knowledge, and success in studies. The color yellow is worn to represent energy, happiness, and prosperity. People celebrate by flying kites, singing devotional songs, and doing Saraswati Puja. It encourages children to value education and creativity.

Yoga helps us stay healthy, calm, and strong. It teaches us how to breathe deeply, focus better in class, and feel happy every day. At school, yoga helps us start our day with energy and peace. It builds discipline and makes our body flexible and our mind relaxed.

STUDENTS' ARTICLES

"TODAY'S TREASURE"

The **PAST** is gone, it's history
Full of memories, joy and mystery.
We cannot change what's left behind,
But we can learn and grow in mind.

The **FUTURE** is not ours to see,
It's hidden like a mystery.
We dream, we hope, we make a plan,
But no one knows just where it'll land.

The **PRESENT** time is bright and new
A special gift for me and you.
It's called a "present" - and it's true,
It's full of chances, fresh and few.

So live this moment, big or small,
Be thankful for it, give it all.
The best of life is here, today,
Let's make the most in every way !!!

In Between

'Responsibilities grow with time,
and so do we, step by step in line
But sometime while we try to be strong
we lose the way, and it feels wrong

'People say, "Change with the game"
but no one says you'll face some pain.
With change comes stress, it's part of the ride
and carrying duty can feel hard inside

If only we could see the pain
maybe we'd enjoy the gain
Doing what's right without the stress,
and still find peace inside the stress

Some leave it all, want life stress-free,
a path that's calm, where they feel free,
but I believe that can't be true -
responsibility and peace for you

If we learn to carry our part,
but keep calm, inside our heart,
maybe then we'll understand,
both weight and wind can help us stand

'Responsibility helps us grow
and stress - free life lets joy flow
